

# THE INTERNATIONAL JOURNAL OF PREHISTORY

## BIBLIOGRAPHICAL REFERENCES AND NOTES

Bibliographical references in the notes should consist in the author's last name (in caps/small caps) and the year of publication, followed by page numbers, figures, plates, and any other relevant information.

In the case of two or three authors, their names should be separated by a comma. When the authors are more than three, the reference will go to the name of the first one, followed by 'et. al.' (the abbreviation 'Aa. Vv.' should be avoided).

Page and year numbers (please do not use f. or ff. for 'following page(s)') should appear with 'p.' or 'pp.' in full (thus pp. 112-146 and not 112-46; 113-118 and not 113-8; 1953-1964 and not 1953-964 neither 1953-64 nor 1953-4).

Editors' names should be indicated after the title, separated by commas and preceded by 'ed. by' for books in English, 'hrsg. von' for books in German, 'a cura di' for books in Italian, 'éd. par' for books in French, 'ed. por' for books in Spanish.

Example:

MARAN 1998, p. 10.

KRISTIANSEN, LARSSON 2005, pp. 11-22.

Abbreviations of titles of standard reference works, journals, and book series follow those of the «AA» (Archäologischer Anzeiger):
